Profile

I am a dynamic person who is constantly in search of new professional challenges and puts all his efforts and dedication into each project, to deliver the perfect result.
My serious attention to details leads me to meticulously cure all the single aspects of a job.
I spent 2 years travelling in Australia to improve my knowledge and experiment new approaches to my occupation. I consider my job the evolution of a passion for photography and video I have been fostering for many years. My philosophy is that the best production is the one yet to be realised.
